WHEREAS, upon consideration of the record established at the hearing, the County determined that the statements within the Petition were true and correct, that the amendment of the District’s boundaries is not inconsistent with any applicable element or portion of the state comprehensive plan or the local government comprehensive plan, that the land within the District as amended is of sufficient size, is sufficiently compact, and sufficiently contiguous to be developable as a functionally interrelated community, that the District as amended is the best alternative available for delivering community development services and facilities to the area served by the District, that the services and facilities of the amended District will not be incompatible with the capacity and uses of existing local and regional community development services and facilities, and that the area to be served by the amended District is amenable to separate special-district governance; and

WHEREAS, amendment of the District boundaries will constitute a timely, efficient, effective, responsive and economic way to deliver community development services in the area described in the Petition; and

Be It Ordained by the Board of County Commissioners of Clay County:

Section 1. Authority. This Ordinance is adopted in compliance with and pursuant to the Uniform Community Development District Act of 1980 codified in Chapter 190, Florida Statutes (2024).
